Here is a direct link: [Believe what's true.](#)
5. **Final song**: Watch the last song on the playlist.
6. **Discussion questions**: If you are watching alone, please consider calling someone this week to discuss your answers. If you are not sure who to call please text me (Ben 814-880-3049) and we will help you connect with someone.
 - a. Why is it important to watch your life and doctrine closely?
 - b. In what ways are false ideas like poison?
 - c. How do you articulate the doctrine of the trinity? Why would it be bad to worship Jesus if he is not God?
 - d. What should we do when we encounter a difficult passage of scripture that does not seem to fit with our theology? What principles can be applied to interpreting difficult passages of scripture?
 - e. How do you understand the phrase, “let us eat and drink for tomorrow we die.” (verse 15:32) What is Paul’s point? Why is context important?
 - f. In what ways is having false ideas about God like being drunk? What might it look like to “wake up”?
 - g. What false ideas have you had about God? How were you affected by them?
7. **Close in prayer**
